她

怕冷，要避開風口。溫度在
24~27°C左右最合適，不宜
低於20°C。喜歡安靜。不怕
周圍人來人往；但劇烈震動
會受驚嚇、緊張。接受適度
陽光，但應避免烈日曝曬。
獨處沒問題。

如果能講話，她會說什麼？

如果會走路，她想去哪裡？

She

Fears the cold, and so should avoid vents. The ideal temperature is 24~27°C, no lower than 20°C. She enjoys quiet, yet doesn't mind noise or others walking around her. She is afraid of vibrations and easily get startled. She requires moderate sunshine, but cannot be exposed to direct sunlight. She doesn't mind being alone.

What would she say if she could talk?

Where would she go if she could walk?
