【觀展須知】

嘿，今天真高興見到你，謝謝你來。那是這樣子的，因為這個作品強調的是說，讓觀眾隨著閱讀時間的累積而逐步獲得訊息、逐步建立起個別觀眾與作品（創作者）之間私密的關係，所以希望能把裡面的內容保留給現場的觀眾，不要在網路上公開或流傳。這部份就再麻煩你了，謝啦！

【Note】

Hey, nice to see you today. Thanks for coming.
I would like to ask for your help. Since this work focuses on building an intimate relationship between the audience and the work/artist through the process of reading, I would like to limit those who read the story in the book to those who visit the exhibition. Therefore, it would be great if you could help me by just leaving the information in the book without posting or sharing it online. Does that make sense?
I appreciate your cooperation.
Thanks!
