作品簡介

你我、空間、文字、光影、色彩——交疊出「當下」的樣貌，如同種子、土壤、陽光、空氣、水——作用出嫩芽，破土而出。我們小心翼翼，端著「意識」與「感官」走進來……接收當下的訊息，將腦海中的聲音一步、一步傾吐在眾人之間，再任由「時間」編織出無形的衣裳，穿在我們身上。

Space, words, color, light and shadow, you and me... They shape the flesh and blood of the site; like seed, soil, sunshine, air and water bring about the sprouts that poke through the ground. Carefully we enter the space with “consciousness” and “sensations,” perceiving the presence and uttering the voices in mind to others. And then, let “time” knit those spoken words/sounds into an invisible piece of clothes for us to put on together.
